To my fellow stars:

It is with pride and excitement to share the past years' results of the Nationally Accredited St. Stephen's Community House!! We are certainly proud to announce the earning of this tremendous achievement and what it means to communicate our level of integrity as an organization, the trust of those we serve and the confidence of those who invest in our work; our results speak to our ability to provide high quality and proven services.

The results you will learn about in this report are just the beginning of the changes we want to see for the individuals and families we serve. The change we want to see and the change we want to be part of making happen, the change of brightening lives for years to come.

We, the Best and Brightest staff and the dynamic Board of Trustees begin brightening lives, as early as 6 weeks of life in the womb, supporting expecting families to ensure every life has a great beginning and healthy start of life. We continue the work of brightening lives by igniting of spirit and urge of learning, which happens in our childcare center and we build on this excitement through our afterschool and summer programs. The field trips, building of Skimmers, tutoring and Art in our House will lead and can begin a life of love and enjoyment of learning. The love of learning will improve graduation results and lead to greater academic and career achievement. Although our youth programs are critical we are committed to building families, we subscribe to the Annie E. Casey mantra of family strengthening- Children do well, when families do well and families do well when they live in supportive environments.

In partnership with you as a stakeholder in our work, we will build leaders for tomorrow, strengthen families and communities, and take our place when invited to brighten lives throughout Franklin County, brightening lives one family at a time! Please join us as our new season is underway-"A hub of self-sufficiency."

Michelle M. Mills
President/CEO

Values are like fingerprints.
Nobody's are the same,
but you leave them all over
everything you do.

- Elvis Presley

A Message from the Board Chair

Since 1919 St Stephen's Community House has been brightening lives, please join me in our celebration of 91 years of service to the Greater Linden community. This year, I have been blessed with the privilege to serve as Board Chair, joining a team of leaders who are not shrinking in the face of a tough economy but daily rising up and strengthening families. I am proud to walk alongside a team of determined board members, inspired staff, committed donors, and diehard volunteers who are advancing self-sufficiency in the Linden community.

Please read our compelling stories, picture yourselves in the lives of those mentioned, and consider pledging time, talent or treasure to support our legacy for another year. On behalf of the Board of Trustees and our dedicated staff, thank-you for supporting St. Stephen's and its important work.

Brooke Billmaier
Board Chair

You cannot expect
to achieve new goals
or move beyond
your present circumstances
unless you change.

- Les Brown

"Family Success" was referred to the Family to Family Program in the fall of 2010. This family unit consists of a mom, age 68 and her son, age 12 whom she adopted 6 years ago after fostering him for over 4 years. Also in the household is her twin sister, age 68, with dementia. The reason the family was referred was because of behavioral issues the 12 year-old was displaying both at home and at school. This family did not lack any love. This mom needed some 2010 problem solving skills and the 12 yr. old needed someone to hear his frustrations without being grounded for it. Family to Family intervention specialists intervened with home based services on effective parenting skills, alternative disciplinary actions, positive communication skills, developmental youth services, mentoring, tutoring, and a true sense of support. The 12 year old continued to share his frustrations and continued to have difficulties with the intense bullying at school. The 12 yr. old began cutting himself and threatening to run away. Once the case worker observed the school situation several times, the case worker and tutor realized trying to teach and convince a 12 yr. old to practice non-violent behavior in the classroom in a school where you needed fighting methods to survive was non-productive.

So after the second incident of the 12 yr. old cutting himself and screaming that's he's not going back to THAT school, we all heard him! Working together with Ohio State Children's Psychiatric Hospital and the caseworker, we found a private school that would take him. Once the school's community realized mom's age and now her onset of gout that was physically deterring her to support her son like she always has, the community stepped up and granted him free tuition, paid uniforms, and transportation! The 12 yr. old has volunteered for several family functions here at SSCH and seems to gleam when he walks through the doors ---- as we do gleam back!

Nobody's a natural.
 You work hard to get good
 and then work hard
 to get better.

Paul Coffey

I would like to THANK YOU for the guidance your program at St Stephen's has provided my child. Neil has been taking the COTA bus from Fort Hayes H.S. to the St. Stephen's program two or three times a week. Mr. Ferguson and the OSU student volunteer have been working with Neil on his OGT preparation for the 2011 OGT Testing. Mr. Ferguson would have Neil practice Math, Reading, Writing while at St. Stephen's. I am happy to report that Neil PASSED ALL OGT Sections! Reading - 439; Math - 429; Writing - 433; Science - 453 and Social Studies- 462.

I would like to THANK YOU AGAIN for the confidence, support, and fellowship, Neil has received from Mr. Ferguson and the St Stephen's Team!

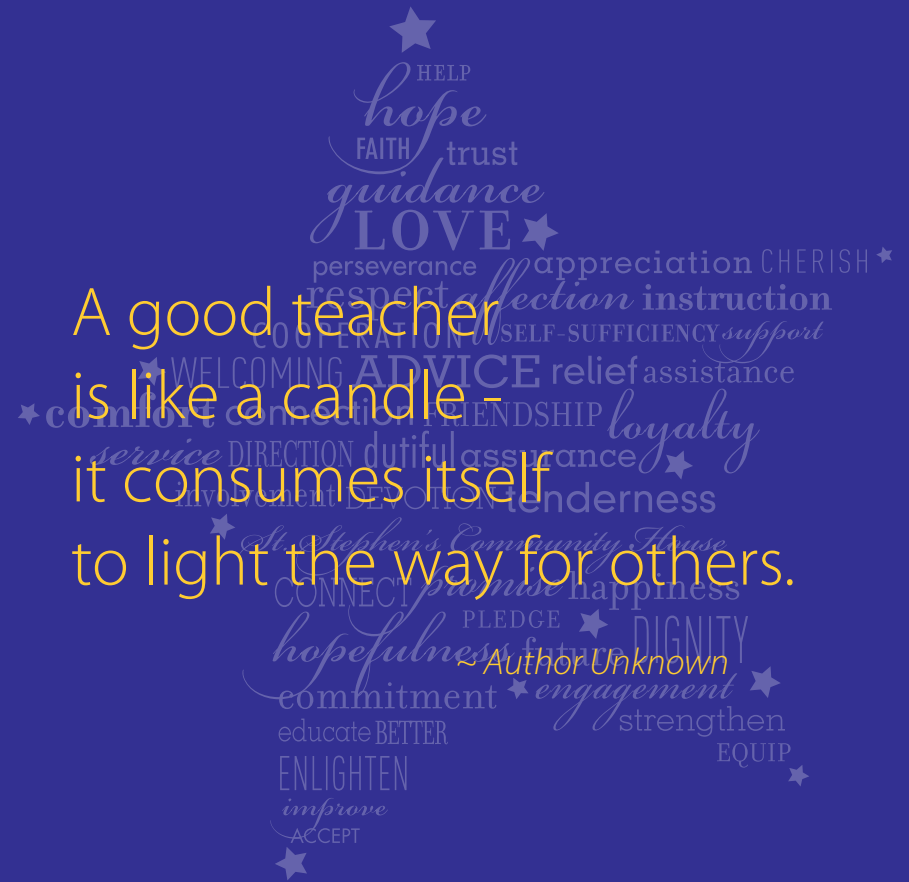

Great opportunities
to help others seldom come,
but small ones
surround us daily.

Judith Kelman

For over 7 years, St. Stephen's has helped with transportation. I am a widow on a fixed income, a two-year breast cancer survivor and am not able to drive. To me this [transportation service] has been a Godsend and has really helped me. I don't have a need to worry about how I am going to get to the Doctor's appointments and back home again!

A good teacher
is like a candle -
it consumes itself
to light the way for others.

As a hub for self-sufficiency, we build community through...

Neighborhood Services

The price of greatness is responsibility.

- Winston Churchill

St. Stephen's Christ Child Childcare Center has been one of my true blessings. Since being at the center, my daughter has developed social skills that are challenged daily. My daughter [has learned] practical and spiritual skills and performs what is being taught to her on a regular basis. I love the evening time when my daughter wants to engage in stories or songs she has learned from her day at the childcare center and is now the leader of prayer before every meal. From the positive environment and encouraging staff, I am very thankful to have my daughter in the center. Thank you so much St. Stephen's for all the opportunities and encouragement you have given to my family!

The Neighborhood Services Program provides individuals and families with basic material needs (emergency food and assistance with obtaining utilities/prescriptions) on an as needed basis. Two certified Benefit Bank counselors are on site to assist individuals and families gain access to public programs. The Christmas Care/One New Toy program is provided annually in partnership with the Central Ohio Labor Council as well as a coalition of schools, organizations, businesses, civic groups, government, and over 500 volunteers.

In 2010, 4,365 individuals/families received emergency food and 2,989 individuals/families received food/toys during the Christmas Holiday. An additional 194 individuals/families received support with material assistance.

- ★ **Living Well In Linden** Initiative focuses on providing health and wellness services to the Linden community.
- ★ **Bike Loan Program** aids to increase physical fitness by loaning bicycles to individuals/families. In 2010, 40 participants were loaned bicycles; riding an estimated 720 miles.
- ★ **Community Garden** is a fruit/vegetable garden on-site at the agency for community residents and program participants to volunteer and in-turn receive the harvest. In 2010, over 70 volunteers and residents worked hands-on in the garden.
- ★ **Choice Food Pantry** allows individuals/families to "choose" food for their family. In 2010, we converted our food pantry into a "choice" pantry with shelving, freezers & refrigerators, similar to a grocery store.

We maximize the potential of those we serve through programs such as...

Youth Services

If your actions inspire others
to dream more, learn more,
do more and become more,
you are a leader.

- John Quincy Adams

The Youth Services Program target population is high risk youth ages 5 to18 and their families. Staff emphasizes developing age-appropriate social skills, enhancing academics, increasing positive peer interactions and nurturing family relationships through group work, individual and family support services and school visits.

After-School Programs

Two sites provide after-school and summer programming to students held on-site at SSCH and Windsor STEM K-6 Academy. The program focuses on academic enhancement as well as prevention and developmental activities. *In 2010, a total of 211 youth were served of these, 97% passed to the next grade level, 97% demonstrated (Columbus or Ohio) district standard of 94% school attendance, 82% demonstrated reading levels at or above grade levels and 75% demonstrated math levels at or above grade level.*

Tutoring focuses on providing the resources and support that enable youth to achieve academic success. Tutoring is facilitated in small group settings with volunteers acting as tutors as well as positive role models for youth. *In 2010, 58 youth participated in the program and 90% of youth served increased their grades.*

21st Century Community Learning Centers

St. Stephen's partners with St. Vincent's Children Center and South-Western City Schools to provide after school programs in two schools located on the southwest side of Columbus. These students have been assessed below the minimum reading and math level and services focuses on ensuring increased academic scores. *In 2010, 38 students received services; 74% demonstrated a positive gain in reading accuracy and 78% showed overall improvement in math skills.*

Learn to Succeed Employment Program

In collaboration with Columbus Urban League, youth ages 14 to18 were provided with work readiness skills, paid internships and case management services for six weeks during the summer months. *In 2010, 300 youth were served and placed into 80 various worksites; 20 hours per week for six weeks.*

SEEK Camp (Summer Engineering Experience for Kids)

Cooperative efforts with a number of partners (including Ohio STEM Learning Network & Battelle), SEEK Camp enrolled 300 Columbus City School youth ages 10 to 13 for eight weeks of summer programming. The camp focused on introducing youth to STEM (Science, Technology, Engineering and Math) principles through hands-on, engaging activities. *In 2010, 81% of youth stated they are more interested in engineering careers after attending SEEK.*

SEEK STEM LA (Linden Area)

In association with Central Ohio Workforce Investment Corporation (COWIC), Battelle and Linden McKinley STEM Academy (LMSA), LMSA students were provided with paid internships at local Linden businesses and agencies. STEM professionals provided weekly mentoring sessions to students. *In 2010, 100 youth were served in the STEM LA program; attending weekly mentoring sessions and placed into worksites for 20 hours per week for six weeks.*

Learn To (to) Succeed – Summer Youth Employment

In collaboration with Central Ohio Workforce Investment Corporation, SSCH provided youth ages 14-18 paid internships at central Ohio businesses and agencies. The primary focus of the program is to introduce youth to job readiness and actual paid work experience. *In 2010, 300 youth were served in the Learn To (to) Succeed Program; job readiness and job placement were the highlights of the program.*

We strengthen families and improve individual well-being through opportunities such as....

Family Services

Charity may be a very short word, but with its tremendous meaning of pure love, it sums up man's entire relation to God and to his neighbor.

- St. Aelred of Rievaulx

The Family to Family Initiative provides support services to families, focusing on building strong healthy families and keeping them together as a unit. SSCH is the lead agency in this partnership with four other settlement houses working towards the same goal with Franklin County Children Services. *In 2010 (July-December), 380 families received services in the county wide Initiative.*

The Senior Services Program

The goal of the program is help senior citizens maintain self-sufficiency. Support services, advocacy and transportation services are provided. The program collaborates with LifeCare Alliance to provide lunch to seniors in our dining center. *In 2010, 404 seniors received services and of those seniors receiving services, 97% seniors reported maintaining independent living status.*

We invest in our future through.....

Childcare

We worry about what a child will become tomorrow, yet we forget that he is someone today.

- Stacia Tauscher

St. Stephen's Christ Child-Child Care Center provides a safe and nurturing environment for children, 6 weeks to 48 months of age, while their parents are working or attending school. Our goal is to engage children in a quality early care and educational program fosters their creativity, self-esteem, and development. A team of child development specialists, social workers, and volunteers collaborate with our teaching staff to ensure that the needs of our children and families are being met. St. Stephen's Christ Child-Child Care Center has continued to provide high quality care and education; therefore, maintaining national accreditation through the National Association for the Education of Young Children (NAEYC). 2010: Children served 107, by the end of the first year; Project Starfish—a program administered by the Christ Child Society to foster self-sufficiency and reciprocity-- served 17 families that completed 204 hours of volunteer time over 6-months, while awarding a total of \$17,810.73 in tuition assistance.

Together, with our partners, we develop socially through.....

Volunteers

Without community service, we would not have a strong quality of life. It's important to the person who serves as well as the recipient. It's the way in which we ourselves grow and develop.

- Dr. Dorothy I. Height

In 2010 more than 1000 volunteers assisted St. Stephen's in our mission to assist Linden area residents in developing self-sufficiency and maximizing their potential. Families benefitted from the volunteers who assisted with our major fundraising activities: BRAVO for the Children and Gingerbread. During September, 41 volunteers joined us for Community Care Day and in December, more than 700 volunteers assisted area residents during the Christmas Care On New Toy program helping us serve, along with the AFL-CIO, more than 2900 families

Other volunteers assisted our departmental staff at St. Stephen's. Students from the Catholic Diocese, OSU, Otterbein, Cardinal Health, Delta Sigma Theta Sorority, Girl Scout Troop 374, Key Bank, AABE, Hillel Academy, Salem Baptist Church, and Christ Child Society volunteered and impacted the lives of Linden area residents by sharing their talents with our seniors, our children in the day care center, our youth in the after school program, and our clients who use the food pantry. Other volunteers served in other areas at St. Stephen's: administration, development, maintenance and grounds and the community garden.

Our volunteers impact SSCH in so many ways. They provide assistance to our staff, companionship for our seniors, mentorship for our youth, and maintenance for our physical plant. During 2010, our volunteers served 2,260 hours for a savings of \$51,635.00.

St. Stephen's Community House is a place that forms the effective center of the greater Linden area. We perform that through.....

Financials

Obstacles are those frightful things you see when you take your eyes off your goal.

- Henry Ford

How We Spend Our Money

St. Stephen's Community House expects all employees to make sound purchasing decisions that ensure the continued efficient operation of the agency. To help get the most from every procurement dollar we have established vendor partnerships. These partnerships are negotiated using the full benefit of the agency's buying power and include an analysis of the vendor's corporate sponsorship of community activities.

Discussions on corporate sponsorship usually go one of two ways. Either the vendor is pleasantly surprised at how their corporate involvement in the community is honored by the agency and how their corporate mission is compatible with the mission of St. Stephen's, or they see the importance of this aspect of contracting with us and catch the spirit of community involvement through corporate sponsorship.

We recognize the value of corporate sponsorship in the community regardless of the beneficiary, and frequently the benefit accrues to us. Vendors often donate gifts for our fundraisers, provide services at little or no cost, or share costs with us. Strong relationships with our vendors are developed through this process.

The Columbus Business First Annual Corporate Care awards recognize outstanding corporate contributions to our community, and many of the recent recipients have a strong relationship with us. Examples include Huntington National Bank, Grange Insurance and Cardinal Health to name just a few.

St. Stephen's Community House

1500 E. 17th Avenue • Columbus, Ohio 43219
Phone: 614.294.6347 • Fax: 614.294.0258
www.saintstephensch.org

OUR MISSION

We at St. Stephen's Community House are committed to assisting residents of the Greater Linden area to build community, self-sufficiency and individual well-being. We assist residents to maximize their potential through programs and services such as employment, social development, community organization, education and childcare.
